Announcements and Events

Announcements

1. **Mentor October Birthdays!** 10/4 Ann McCarty, 10/6 Jamie Brown, 10/13 Andralee Pervorse, 10/24 Tawiah Burroughs
2. **Participating Teacher Professional Development (PT/PD) Spreadsheet:** We appreciate your efforts to review and update teacher contact information AND we are now asking that you **input the Site Administrator name and contact information in columns S, T, and U**. Please know that accurate data in the PT/PD spreadsheet has a far reaching impact on our ability as a project to communicate about and coordinate teacher's clearing their credential and gather feedback as a project from key stakeholders. Inaccurate information results in an exorbitant amount of follow up and investigation on the parts of our staff, namely, Patti and Injin. For this reason we offer a few reminders regarding accuracy when submitting information about Evaluators:
 1. Compare emails to the site website
 2. Check for full first names (is it "Mike" or "Michael")
 3. Check for correct extensions (.net, .org, .com)Incorrect evaluator information can result in evaluator's being unable to take our end of the year survey of which we need 80% participation to render the data useful. In addition to inputting Site Evaluator information, please all begin to **note Launch and Orientation dates into column M and Mentor Guide Observation (MGO) information in columns N-P. You can find updated MGO information on our Silicon Valley Mentor page**. Please contact Candace if you have any questions.
3. **Mentor Combined Forum:** Our Mentor Combined Forum will be from 9:00am-3:00pm (**note the updated start time**). Our meeting will be held in the Sunnyvale District Office Boardroom located at 819 W Iowa Ave, Sunnyvale, CA 94086.
4. **SC/SVNTP Fall Breakfast:** Our fall breakfast will be held on Friday, November 16, in the Eastside Union School District Boardroom located at 830 N Capitol Ave, San Jose, 95133. The title for our breakfast this year is "Building Leader Will & Skill in Fostering Equitable Learning Communities for All Students". Please invite site administrators, district administrators instructional coaches, and other teacher leaders. This is an opportunity to share the amazing work you engage in with teachers across the county. A flyer will be sent to all mentors and Steering Committee members soon.
