2. **Combined Forum Reminder:** Our Combined Forum is on Friday, March 15th, in the Sunnyvale School District Boardroom from 9am-3pm:
  - a. We will continue to reflect on our case study teacher. So be sure to have access to your teacher's toolkit so that we can analyze a process/tool or **student work** focused on a district priority subgroup which can be used to analyze for language needs.
  - b. Bring your laptop, lunch, and Chapter 8 from "Culturally Responsive Teaching & the Brain"
  - c. We need snack sign ups! Currently, we do not have anyone signed up to bring snacks and we need 10 mentors to bring snacks. Please see the sign up sheet in the Weekly Message or on the SV Mentor Forums page on the SC/SVNTP website to sign up.
3. **MGO reminders:**
  - a. Do Now: Fill out column N of the [SV PT/PD Spreadsheet](#) indicating Yes, No, or TBD if a sub is needed. After the MGO visit please fill out columns O and P to indicate when the observation occurred and when the reimbursement form was submitted.
  - b. MGO Observation data does not need to be submitted as evidence, only the pre and post conversation. Please feel free to use the Observation Data tool or another template that you prefer to capture data during the MGO. Although this data isn't being submitted, it is best practice to have a tool/template to guide your PTs during a MGO.
4. **Colloquium info:**
  - a. Please communicate your district or PT's plan for Colloquium/Site Share by filling out Columns A-G on the [Colloquium Spreadsheet](#), found in this week's Weekly Message and in the 2/1 Online Learning google presentation.
  - b. Colloquium costs will be **capped at \$12 for each participating teacher**. Please see the Colloquium/Site Share Guidelines on the SC/SVNTP Website. **Click ON the SV Mentors tab to find the Colloquium information.**
5. **Mileage:**
