Business and Announcements

Announcements

1. Use of Video

As discussed at our last forum, we encourage teachers to use and submit video reflections as a way to highlight progress towards mastery in the CSTP. Given our commitment to districts, **all videos containing students MUST live in our password protected Talent space.** If teachers choose to submit a video in their End-of-Year Evidence folders, it may not include video clips of students. Please let leadership know if you have questions.

2. Non-Re-elects

If a teacher is asked not to return to a site, many questions may come forward. Two common questions are:

- *If I'm not asked back to my site, can I still work in the district?*
- *If I know I'm not going to be asked back, is it better for me to resign?*

Remember, the **ONLY** appropriate response from a mentor is, **"I don't know. These are questions to ask HR."**

Do not try to answer such questions and do not hesitate to reach out to leadership for further support.

Resignation vs. Non-re-elect. "I don't know."

3. Units

The Santa Cruz/Silicon Valley New Teacher Project (SC/SVNTP) is excited to offer units for this school year through Courses4Teachers. Participating Teachers who complete their 2018-19 Induction requirements are eligible to purchase 4-semester units for their job-embedded work with SC/SVNTP. The cost of the 4-semester units is \$200. Registration for units will be open from May 1, 2019, through July 15, 2019. In April PTs will receive an email from SC/SVNTP with directions for registration. **Please remind your teachers about this opportunity.**

4. End of Year Survey

On **April 8th** the **required** end of year survey will be pushed out via Survey Monkey to teachers, mentors, and evaluators.

The survey closes on **April 26th**. Please encourage site administrators to complete the survey and remind them how valuable their feedback is to our project.
