

➤ **Overview: Agenda, Outcomes, Norms and Core Values (Linda)**

Purpose: *To set the purpose for the day and preview our learning*

- Share our MLPs
- Celebrate our community

➤ **Announcements (Melissa & Marvilyn)**

- Reminder to PTs to purchase units NOW
- Reminder about closing out drive - collaborate with your teacher so that they "Unshare" their Evidence Folders with you
- Help PTs with closing down their classes
- Mentors are now "kicked out" of drive - you no longer have access to assessment day folders
- Elena Aguilar seminar sign ups available
- Last weekly message coming next week
- Last Wednesday in July will be the first weekly message for next year
- Phil teaching 3rd grade at Hyde next year

➤ **Problem Pose/Problem Solve**

Purpose: *To share the challenges and reflect on the successes*

- Self selected partners/abbreviated time
- Whole group debrief
 - SV Colloquium very successful with PTs wanting to serve the needs of ALL their students
 - Site shares have been potent especially with the attendance of admin
 - 10 colleagues attended a site share at Calabasas to support the PTs
 - Site share had principal commenting on the value of the project--not just a task to be done, but real support
 - Candace finished first year as SV director--SUCCESSFULLY!!!
 - Next step--next year, consider how you will ensure that you are a visible presence on campus
 - Heather next week AIDS lifecycle ride--this is her final year SF-LA--would love our support and energy for the next week

➤ **MLP Share**

Purpose: *To reflect on growth and development in relation to mentor learning plan and identify opportunities for continued growth*

- Independent review time
- Tools to prepare with --CAL and End-of-Year Sharing Note-Taking Guide
- 8 min to share/ 4 min to respond/3 sharing cycles--triads
- Things to try next year:
 - Go more "big picture"

- Embed more specific language around equity/vocabulary
- Opening up the equity conversation with PTs
- Focus helping teacher with the IEP process--this IS equity
- Give more immediate feedback to teachers--in little bites and also making that known as a norm from the beginning of the year.

➤ **Closure:**

- **Plusses**
 - Stories/Journeys shared
 - Moved from negative attitude to acceptance and appreciation of the MLP sharing process
 - MLP & sharing an unknown and being a part of the process has clarified and created excitement around it
 - Found similarities and differences in the MLP stories
 - Honoring how all people are celebrated in the project
 - Appreciate Injin and Patti and Laurie and the foundation of the support that they are!!!
- **Next steps**
 - Beth Landry (SCCS-MS and elementary), Matt Mc Ginty (PVUSD-MS core) released from their districts to mentor with NTP next year
 - Jivan Dhwali--Asst. Superintendent will be leaving SCCOE & Debbie Bodenheimer will be replacing her

➤ **Thank you for taking notes! No notes needed for the rest of forum.**
