**In this training teachers will learn how to:**

- Reduce student arguing and defiance
- Positively connect with challenging students
- Successfully manage feelings of anger
- Teach procedures that will maximize student attention
- Utilize intervention strategies when consequences don't work
- Implement dozens of innovative techniques right away

**Rick Smith, Author**

August presentations by Rick Smith  
October and November by Grace Dearborn

**Grace Dearborn**, Conscious Teaching's top national trainer, taught for 15 years in the San Francisco Bay Area. Grace has trained thousands of teachers across the country since joining Conscious Teaching in 2009, including annual trainings in San Francisco, San Diego, Chicago, and San Antonio.
