

# Santa Cruz/Silicon Valley New Teacher Project

Every student deserves a quality teacher. To achieve this goal, the SC/SVNTP collaborates with participating districts to partner highly trained mentors with teachers in order to earn their California Clear Teaching Credential.

The SC/SVNTP is built on the core values of equity, responsiveness, positive presupposition, reflective dialogue, and inquiry stance. Through an individualized goal-focused approach, the SC/SVNTP guides teachers and mentors in strengthening best practices within and beyond the classroom as outlined in the California Standards for the Teaching Profession (CSTP) to ensure the growth of all students.

"The most effective part of induction is the extra support it provides for new teachers. There is so much to know during the first years of teaching, and the help induction provides in areas such as planning, assessment, and work analysis is invaluable."
